

Pioneering Fiberglass Solutions for a Sustainable Future

مصنع الخيران الشرقي للفايبرجلاس
EASTERN LAGOON FIBERGLASS FACTORY

Innovation. Quality. Sustainability.

WELCOME TO EASTERN LAGOON FIBERGLASS FACTORY...

Located in Dammam, Kingdom Of Saudi Arabia, Eastern Lagoon Fiberglass Factory is a trailblazer in premium fiberglass manufacturing. Established with a vision to redefine the industry through innovation and quality, we deliver cutting-edge solutions that serve diverse sectors—from infrastructure and construction to industrial and residential applications. Guided by our core values of quality, innovation, sustainability, customer focus, and integrity, we are committed to producing fiberglass products that exceed expectations. As your trusted partner, we combine advanced technologies, skilled craftsmanship, and a relentless drive for excellence to bring your projects to life.

PRODUCTS & CAPABILITIES

At Eastern Lagoon, we offer a diverse portfolio of high-performance fiberglass products engineered for durability, efficiency, and sustainability.

Fiberglass Tanks

- **Water Tanks**

Engineered for safe, long-term water storage, our tanks resist corrosion, UV radiation, and harsh weather, making them ideal for residential, commercial, and industrial use.

- **Sewage Tanks**

Leak-proof, odour-free solutions suitable for underground installations, ensuring efficient sewage management with robust construction.

- **Custom Tanks**

Tailor-made designs for specialized applications such as chemical storage, high-temperature fluids, or unique industrial requirements.

- **Industrial Applications**

Pipes, ducts, and cladding products that combine lightweight properties with outstanding strength—ideal alternatives to traditional materials in industrial environments.

OUR SERVICES

- **Consultation & Design**

Expert guidance and customized engineering solutions to help you select and tailor made products for your specific projects.

- **After-Sales Support**

Comprehensive support including installation advice, maintenance guidance, and repair services—ensuring satisfaction throughout the product lifespan.

- **Certified Quality Systems**

- ISO 9001 – Quality Management Systems
- ISO 14001 – Environmental Management
- Saudi Arabian Industrial Manufacturing License.
- These certifications reflect our commitment to delivering excellence, safety, and sustainability in every product.
